

Pacific Companies has been recognized as a leader in the physician staffing industry for over a decade. Our primary goal is to make life easier for our clients and to provide the highest level of service and results possible. If you are looking for a partner in your Permanent Staffing needs, look no further; you will find it with Pacific Companies.

Pacific Companies PLEDGE

Our Permanent Division not only preaches customer service, we live it. As a Pacific Companies Permanent client, you will have one agreement, one consultant, and need for only one partner for your locums needs. We will work tirelessly not just to meet your expectations, but to exceed them.

Let our Permanent Division team find you top-notch physicians, arrange travel and assist with on-site interviews. Whether you are in a metro area or rural, we can help you find top talent in a timely manner.
